"Working with you to Protect the Environment"

February 22, 2010

Subject:

The Evesham Municipal Utilities Authority (EMUA) has contracted with 4RO Services, Inc., 650 Deer Road, Cherry Hill, NJ to update the EMUA's water meter reading system with new water meters and radio transmitters. The new water meters will improve the reliability of the meter reading and billing process. 4RO Services, Inc. will adhere to the same high standards as our own employees, providing courteous and professional service. Their uniformed employees will carry photo ID cards and their vehicles will be clearly marked.

Please make sure that your water meter is accessible. We ask that you move any furniture, stored materials or other items that would interfere with the scheduled work. We appreciate your patience and cooperation.

4RO Services, Inc. will be mailing a letter with instructions on how to schedule an appointment.

If you have any questions or concerns regarding this program (not to schedule appointments), please contact the EMUA at (856) 983-1878 between 8:30 a.m. and 4:30 p.m. Monday through Friday.
