

EVESHAM

MUNICIPAL UTILITIES AUTHORITY

To our loyal and valued customers:

In an effort to improve our customer service, the Evesham MUA is changing the process in which calls received outside of normal business hours are handled. If a call is placed to our main office phone number **(856)983-1878** outside of normal business hours, the caller will hear the below message:

"You've reached the Evesham Municipal Utilities Authority. The office is now closed. If this is an emergency involving a loss of service, water quality or discoloration, or to report a potential water main break, press 0 or stay on the line and you will be connected to an operator. For billing inquiries or other non-emergent requests, please call back during normal business hours, Monday through Friday from 8:00 AM to 4:00 PM."

If you need to speak to someone regarding a billing issue, a final meter read or for any other routine business, for best results we ask that you please call back during our normal business hours of 8:00 AM to 4:00 PM, Monday through Friday.
